

Southern Nevada Gymkhana Association (S.N.G.A) has been providing equestrian family fun for over 40 years in the Las Vegas community. S.N.G.A. is a non-profit organization dedicated to the promotion of equestrian sportsmanship, friendly competition, and family fun. Our members range in age from 2 to 75 and this season we currently have expect upwards of 100 members. Each gymkhana consists of three speed events for five different age groups.

At the beginning of every season each member is asked to seek out sponsorships for the year. The funds raised from our sponsors are used to pay for the event arena (Horseman's Park), monthly prizes for first and second, certificates with recorded times for all who ride, year-end awards, and other items not donated throughout the year such as insurance policy and CPA services. Southern Nevada Gymkhana Associations Board is voluntary voted in and appointed by its members. No person, board member or general member, receives monetary compensation for their hours. There are several sponsorship options. With any one of these sponsorship options, your business will receive recognition by the announcer at each event, an advertisement of your business in our monthly program, and an advertisement on our web page. Banners for arena display are also available.

Please consider sponsoring one or more of our members. We appreciate your time and hope you would consider supporting this wonderful organization. For more information, please visit www.SNGA.biz

Sincerely,

Deanna Juhl, President
